

Creating Media-Website creation Construction

Prior Knowledge

Year 3 - you studied how computers can be connected to share information.

Year 4—you learned how the internet operates and how computers access it.

Year 5—you learned how to share information and how computers

My Component Knowledge:

Lesson 1: I can explore a website and discuss the different types of media used on websites

Lesson 2: I can recognise the common features of a web page

Lesson 3: I can say why I should use copyright-free images

Lesson 4: I can evaluate what my web page looks like on different devices and suggest/make edits

Lesson 5: I can explain what a navigation path is

Lesson 6: I can explain the implication of linking to content owned by others

My Composite Knowledge:

I can identify the key features of a website and explain the role they play.

My Powerful Knowledge:

I can explain the roles of different features and create a website with links on.

Key Vocabulary

Tier 1: Homepage, search bar, link

Tier 2: Header, dropdown menu, sidebar content, privacy, search filters

Tier 3: primary navigation

Secondary navigation

Why do we need websites?

What key information needs to be included on them?

Can you copy images to share on your website?
