A note from the Head

Dear Parents / Carers

It has been lovely to see all the children wearing red for Remembrance Day, thank you for all the donations, at the last count, we've raised £27.

The feedback from the skateboarding workshop has been fantastic, the highlights seemed to be learning tricks. We also had lovely feedback from Adam of Team Rubicon who said it was a pleasure to come to the school. Well done everyone!

Look out for our Christmas Flyer which will be coming out soon and has details of all the exciting Christmas Events we have planned.

Have a lovely weekend

Flenemore

Mrs V Fenemore, Executive Headteacher

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Preschool—Mrs Stapley

Wow what a super week!

We have have had a tigertastic time basing our learning around the text 'The Tiger who came to Tea' by Judith Kerr.

The children enjoyed creating tiger patterns, making food for the tiger using the play dough, drawing different foods for the tiger to eat, but the highlight of the week was making our own sandwiches for a tea party.

Over the weekend see if the children can tell you all about the story and their favourite part of the text.

Have a wonderful weekend.

Mrs Stapley and Tammie

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Class 1—Mrs Godly

This week, Reception have been learning four new phonemes and practising how to write the graphemes. In other activities, they have had a tea party with Pre-school and a tiger and thought about what makes someone special. They have also been drawing pictures, talking and writing about Bonfire Night. In Maths, they have been comparing the numbers 1, 2 and 3 and finding more than and less than these numbers.

In English, Years 1 and 2 have been continuing to learn about noun phrases, adjectives and adverbs. They have used this knowledge to write some alliterative sentences about animals and we have created our own version of the unit text all about different creatures. In Maths, Year 1 have been developing their skills at comparing statements. They have used their knowledge of counting on and back to compare a variety of addition and subtraction sums using comparison signs. Year 2 have started a unit of work on money. They have been learning to recognise the coins and notes we use and the amount they are each worth. They have been counting pounds and pence as well as investigating ways of making amounts of money using coins.

Other lessons have included investigating ways of melting ice in order to free a frozen object quickly, being particles of solids, liquids and gases, what they would see in a synagogue and what these objects are used for and considering the ways we are all similar and different.

Have a lovely weekend everybody.

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Class 2—Mr Saltearn

A busy week in Class 2!

This week we have continued our sequence about The Highwayman and have been busy learning about figurative language. We have been learning about onomatopoeia and have been creating poems about animals with just onomatopoeia words. We have also been thinking and creating similes and metaphors about The Highwayman.

In Maths, Year 5 and 6 have been practicing their long division skills and have been dividing 4 digit numbers by 2 digit numbers. We have been practicing different methods. We have also been learning about prime, square and cubed numbers. In Year 3 and 4 have been busy learning about multiplying and dividing by 3, 4 and 8.

This week, we took part in our inter house sports and the children had the chance to show their netball skills. Some of the netball on display was fantastic and we are looking forward to welcoming Winkleigh Year 5 and 6 to us next week to complete in a mini netball festival.

In Science, Year 3 and 4 have been investigating if gas has weight and planned and undertook an experiment to show that gas has weight. In Year 5 and 6 we have been learning about melting and dissolving and how we can identify the differences between the two.

In RE, Years 3 and 4 have been learning about the different creation stories that religions have and comparing the similarities and differences between them.

On Thursday, Class 2 had the chance to take part in the skateboarding workshop, all the children enjoyed the experience and displayed their talents. Next week, we are going on our trip to Exeter to take part in the Pizza Express workshop and then we ill be walking around RAMM investigating the different exhibits, looking particularly at the Egyptian exhibit. The children are looking forward to creating their own Pizza and investigating RAMM. We look forward to seeing their Pizzas.

Some children in Year 5 and 6 are taking part in a football festival next Thursday we look forward to seeing how they get on.

Have a nice weekend Class 2, we are looking forward to a busy week next week.

ATTENDANCE

NHS

UK Health Security Agency

Should I keep my child off school?

Until...

| Chickenpox | at least 5 days from the onset of the rash and until all blisters have crusted over |
|---|---|
| Diarrhoea and Vomiting | 48 hours after their last episode |
| Cold and Flu-like illness (including COVID-19) | they no longer have a high temperature and feel well enough to attend. Follow the national guidance if they've tested positive for COVID-19 |
| Impetigo | their sores have crusted and healed, or 48 hours after they started antibiotics |
| Measles | 4 days after the rash first appeared |
| Mumps | 5 days after the swelling started |
| Scabies | they've had their first treatment |
| Scarlet Fever | 24 hours after they started taking antibiotics |
| Whooping Cough | 48 hours after they started taking antibiotics |

No

but make sure you let their school or nursery know about...

| Hand, foot and mouth | Glandular fever | | |
|----------------------|-----------------|--|--|
| Head lice | Tonsillitis | | |
| Threadworms | Slapped cheek | | |

Advice and guidance

To find out more, search for health protection in schools or scan the QR code or visit https://grco.de/minfec.

Families with children in Class 1 who are eligible are encouraged to apply as the funding is in addition to Universal Free School Meals!

If your circumstances have changed and you are now in receipt of one or more of the following:

- Universal credit (provided you have a net income of £7400 or less)
- Income support
- Income-based jobseekers' allowance
- Income-related employment and support allowance
- Support under Part IV of the Immigration and Asylum Act 1999
- The guaranteed element of state pension credit
- Child tax credit, provided that you are not also entitled to working tax credit and have an annual gross income of £16,190 or less

You may be eligible for pupil premium funding for Kings Nympton Primary School, which entitles your child/ren to receive Free School Meals.

It takes less than a minute to apply.

Visit the Citizen Portal Devon https://oneonline.devon.gov.uk/CCsCitizenPortal_LIVE

or call the Education Helpline on 0345 155 1019.

If eligible, please send a screenshot of your confirmation to admin@kingsnympton.devon.sch.uk
