

A note from the Head

Dear Parents / Carers

What a lovely week at Kings Nympton. We were so proud of our Year 6s on Sports Day, the care and compassion they showed to the Preschool children was just lovely to see. They really stepped up to the mark. The children gave it their all and put 100% effort into each event, it was a very close result in the end. Thank you to Mrs Miali for organising the day and to all the staff who made it such a great day. Well done to all involved.

A huge thank to the 'Friends of Kings Nympton' for organising and running the summer fete, they raised over £1400. WOW! Thank you to everyone who came along and supported the event. To organise an event like this in such a short space of time is amazing. Thank you again.

It was lovely to see Class 1 here on Wednesday, ready for their beach trip with Year 1 at Winkleigh. They had a fantastic day rock-pooling, building sandcastles and just having fun on the beach. The weather was not quite as hot as last year but this did not stop the fun.

And then on Thursday, it was lovely to see our Year 4s in Winkleigh for their Wild-wood Escot residential, they were so excited! Seeing the pictures of them through the day and into the evening was great, so many exciting activities. It really was a fun filled couple of days. Thank you to Miss McLean for organising the trip and to Mrs Blacker and Miss Parsons who have now accompanied us on every residential so far this year. Thank you so much for giving up your time.

Have a lovely weekend

Mrs V Fenemore

Emails sent this week: Spellings, Parents Evening, Kit List Yr6 Wake Park, Preschool reminder of moving up day.

LITTLE WOODLANDS

NEWS FROM THE PRESCHOOL

Preschool

Another wonderful week in the Preschool! Firstly well done to all the children that took part in sports day on Monday. Tammie was very impressed with you all. This week we have been focusing our learning around the book 'Sharing a shell' by Julia Donaldson. The children have enjoyed exploring shells, drawing shells, making patterns in the play dough, counting shells and finding the correct numeral to match and they have created spiral shapes using coloured sand. We also enjoyed excavating frozen sea creatures from blocks of ice!

Have a super weekend.

Mrs Stapley and the Preschool team

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Class 1

This week has been a busy one. We had sports day on Monday and luckily, the weather stayed dry for us. This meant we could complete our athletics activities in the morning and then have the races in the afternoon. Well done to all the children for their excellent effort and sportsmanship throughout the day. We have also been on a trip to Bude with Year 1 from Winkleigh. Again, the weather was on our side and the children thoroughly enjoyed observing the habitat, rock pools and playing with their peers. It is a real pleasure to take the class out of school for trips and activities because they always behave well and represent the school impeccably. We would like to say thank you to the FOKNS for their support with these events, without which we would not be able to do them.

Our lessons this week have included the Reception children thinking about what superpowers they would like to have if they were superheroes and investigating the relationships of numbers. Years 1 and 2 have started a sequence using the poetry text, *A First Book of the Sea* by Nicola Davies and completed their maths units on place value and statistics respectively. They have also been creating a presentation on who they think is more significant to the development of nursing, testing the effects of exercise on their bodies and learning about Hajj, the Muslim pilgrimage to Mecca.

We hope you have a great weekend and look forward to seeing you all next week.

Well done Class 1.

Mrs Godly

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Class 2

Another busy week in Class 2! We are fast approaching the end of the Year and Year 6's have been very excited to receive their leaver's hoodies and have enjoyed wearing them this week in class. On Monday we had our sports day, the rain held off just! All the children enjoyed taking part in their house teams. It was great to see the children all try their hardest, we have some very competitive children in Class 2! Year's 5 and 6 help to organise parts of the day from helping pre-school children to resetting races. Thank you to Mrs Miali for organising the day. On Tuesday, some of our Year 5's went for their taster day at Chumleigh with other Year 5 children from the surrounding area. In Science, Years 5 and 6 have been learning about the gestation periods and have created a bar chart to show the periods of times for different animals, they then used the data to say what they noticed from their table. In Years 3 and 4, we have been learning about how our muscles work and the children annotated around a diagram of the arm how our muscles work to move our arms. In History, the children have learnt about Robert Walpole and have created a fact file about his life, Years 5 and 6 have created a short biography about him and the impact he had on politics.

On Thursday some of Year 4, travelled to Winkleigh to attend their residential at Escot. The children look like they are having a great time and I am looking forward to hearing about their trip next week. This week as a class we decided that we would make our forest school doughnuts for Golden time, with some small adaptations to the method! Next Tuesday we are having our class transition day and I am looking forward to welcoming the New Year 3's to class 2 and Year 6 will be having their taster day at Chumleigh. Next week Year 6 are on their surfing residential with Winkleigh. I am looking forward to seeing the fun that they get up too.

Have a great weekend Class 2!

Mr Saltearn

FOKNS SUMMER FETE

Thank you to everyone that came to enjoy our 1st ever Summer Fete!

Fun was had by all, even the unicorn!

We raised a massive £1410.32!

THANK YOU!!

Advice and guidance

To find out more, search for health protection in schools or scan the QR code or visit <https://qrco.de/minfec>.

Are you entitled?

Families with children in Class 1 who are eligible are encouraged to apply as the funding is in addition to Universal Free School Meals!

If your circumstances have changed and you are now in receipt of one or more of the following:

- Universal credit (provided you have a net income of £7400 or less)
- Income support
- Income-based jobseekers' allowance
- Income-related employment and support allowance
- Support under Part IV of the Immigration and Asylum Act 1999
- The guaranteed element of state pension credit
- Child tax credit, provided that you are not also entitled to working tax credit and have an annual gross income of £16,190 or less

You may be eligible for pupil premium funding for Kings Nympton Primary School, which entitles your child/ren to receive Free School Meals.

It takes less than a minute to apply.

Visit the Citizen Portal Devon

Holiday Activities and Food (HAF) programme

The aim of the Holiday Activity and Food (HAF) programme is to support children to eat more healthily, be more active over the school holidays and have a greater knowledge of health and nutrition as well as be more engaged with school and other local services.

To help you find the guidance that you need, we've created the information pages set out below.

Please note that the HAF programme covers four days at Easter, 16 days in the summer and four days at Christmas – it does not run in half term holidays.
