Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
<ul style="list-style-type: none"> - Maintain and increase levels of engagement in sporting activity across the federation within PE lessons that widen the curriculum. 	<ul style="list-style-type: none"> - Staff can monitor social media engagement and monitor the attendance of clubs. - Curriculum map and cross-curricular approach can help to influence the desire to take part in sport and become active. - New sports and interests can be followed through the implementation of new equipment and ideas. 	
<ul style="list-style-type: none"> - Wraparound care and school trip opportunities increased through varied physical literacy activities. 	<p>Staff can monitor social media engagement and monitor the attendance of clubs.</p> <p>Curriculum map and cross-curricular approach can help to affect the desire to take part in sport and become active.</p> <ul style="list-style-type: none"> - Children have the experience of ranging situations outside of the classroom. 	

<ul style="list-style-type: none"> - Create opportunities for fun class and whole school events that incorporate a sense of achievement. 	<p>Children will be recognised for sporting achievement.</p> <p>A development of confidence through experience.</p> <p>They will explore their own sporting interests.</p>	
<ul style="list-style-type: none"> - Physical literacy through life skills e.g. swimming, cycling and adventurous activities. 	<p>Children will be taught age appropriate skills.</p> <p>High quality teaching/ coaching.</p>	

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	62.5%	We struggle with swimming lessons due to the cost of transport to swimming pools and our proximity makes it harder to maintain a regular booking. However, we have accessed opportunities through trips, residentials and sporting achievements. However, on SOE3 forms parents indicate their child can swim over 50metres.
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	28%	Not all strokes can be achieved effectively from all members of the cohort. Children who have external swimming lessons still are confident with a range of strokes.

<p>What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?</p>	<p>%</p>	<p>Data not known.</p>
<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>Yes/No</p>	<p>Action plan to implement swimming catch up as needed working alongside parents.</p>
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>Yes/No</p>	<p>Action plan to implement swimming catch up as needed working alongside parents.</p>
