Learning together, achieving together

Dear Parents and Carers,

Year 2 educational visit to Northam Burrows - 19th October 2021

We are visiting the beach at Northam Burrows to link to our current learning in Science. The children are learning about the different habitats and the living things that live there. We are building our understanding of how these living things are adapted to survive in their specific habitat. The children will focus on ocean habitats and explore these first hand.

Children need to wear sensible walking shoes, school jumpers and ensure they have a coat. They will need a packed lunch and plenty to drink. (No glass bottles, fizzy drinks, chocolate bars or sweets please.) A school packed lunch can be requested, please indicate this School Gateway comments box and include the £2.40 payment.

The cost of this trip is £12.50 per child. Unfortunately, there are no funds available to subsidise the visit, if we do not receive full contributions for all pupils the visit will not be able to take place. We have to carefully cost every trip as parents cannot be asked to subsidise others. This does mean that our costings rely upon every child participating. If your circumstances are such that you are unable to pay this contribution, please arrange an appointment to discuss this in confidence with the Headteacher.

Payment and permission has been set up on the School Gateway, please log on and reply by Tuesday 12th October, after this date the visit will no longer be visible on the School Gateway. Please state if you require a school packed lunch and include the payment for this if applicable.

Regards,
Miss Jones

Mrs V Fenemore
Executive Headteacher
