

# Desktop publishing

## Innovation

### Prior Knowledge

**Year 2:** Digital photography.

**Year 1:** Digital writing and painting.

### Key Vocabulary

**Tier 1:** text, images, layout, page, tablet, desktop, laptop, colour, words, pictures

**Tier 2:** content, publishing, templates, benefits, technology, font, presentation, edit

**Tier 3:** orientation, placeholders

### My Component Knowledge:

Lesson 1: I can recognise how text and images convey information.

Lesson 2: I can recognise that text and layout can be edited.

Lesson 3: I can choose appropriate page settings.

Lesson 4: I can add content to a desktop publishing publication.

Lesson 5: I can consider how different layouts can suit different purposes.

Lesson 6: I can consider the benefits of desktop publishing.

### My Composite Knowledge:

I can make choices about desktop publishing.

### My Powerful Knowledge:

I can use digital devices to combine text and images.

- |                 |                 |
|-----------------|-----------------|
| Arial           | Tahoma          |
| Times New Roman | Helvetica       |
| Roman           | ONYX            |
| Stylus          | Revie           |
| Gothic          | Nyala           |
| Courier         | <b>broadway</b> |
| Script          | CASTELLAR       |

What is desktop publishing?

What are the benefits of desktop publishing?

What choices can I make about layout and appearance?
