

WB 28.2.22

This week, as part of our phonics sessions we are learning to read longer words by looking for digraphs and trigraphs and also by breaking words into smaller parts. These are some of the words we will be looking at:

**Sunset, laptop, picnic,  
farmyard, carpet, bedroom**

We will also be practising the tricky words:

**push, are, sure, pure, into, she, he, we,  
me, be, of**

As you share books at home with your child this week, please look out for longer words and encourage them to break them into smaller words? Can your child spot digraphs and trigraphs within the words in their books?
