

Making and using maps.

Construction

Prior Knowledge

Locating cities and country's using a map or an atlas. To build on their understanding of human and physical features and using grid references to locate features on a map.

My Component Knowledge:

Lesson 1: I can draw a map of a familiar route.

Lesson 2: I can identify different types of maps and when they might be useful to use.

Lesson 3: To learn why map symbols are used and to recognise the OS map symbols.

Lesson 4: I can identify how height is represented on a map

Lesson 5: I can create a Tudor style map of the local area

Lesson 6: I can create an ordnance survey map from a Tudor map.

My Composite Knowledge:

To understand how symbols are used on a map and to identify different symbols .

My Powerful Knowledge:

I can compare different maps and routes, identifying the best route. I can use grid references to locate features on a map.
