

Data and information- spreadsheets **Environment**

Prior Knowledge

Previously you have learnt about data and information.

Key Vocabulary

Tier 1: data, input, collect, review,

Tier 2: spreadsheet import, export, cells

Tier 3: Formula

What is a spreadsheet?

How do we use it?

My Component Knowledge:

Lesson 1: I can suggest how to structure my data

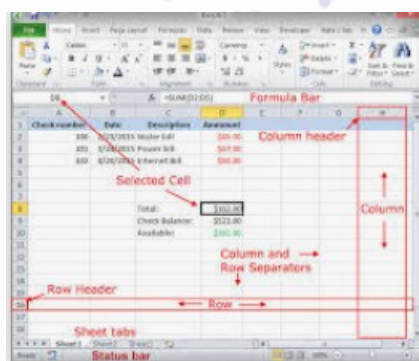

Lesson 2: I can explain what an item of data is

Lesson 3: I can construct a formula in a spreadsheet

Lesson 4: I can create a formula which includes a range of cells

Lesson 5: I can use a spreadsheet to answer questions

Lesson 6: I can suggest when to use a table or chart

My Composite Knowledge:

To use spreadsheets to answer questions and selecting the appropriate chart to illustrate the data collected.

My Powerful Knowledge:

To create a spreadsheet using a formula to input the data. To understand that organising data is important to input data.

Question ?
