

# Poland

## Environment

### Prior Knowledge

Previously, we have learned how to use a map to locate countries. We have used an atlas to identify different countries and continents. We have studied the UK and have described features of the UK.

### My Component Knowledge:

Lesson 1: I can locate Poland and ask questions about Poland.

Lesson 2: I can learn about Europe and European countries.

Lesson 3: I can describe life in Poland.

Lesson 4: I can learn more about the Tatra Mountains.

Lesson 5: I can compare the population distribution of Poland and the United Kingdom.

Lesson 6: I can compare Poland and the United Kingdom.

### My Composite Knowledge:

I can understand that Europe is a continent. I can draw comparisons between Poland and the United Kingdom, using prior knowledge.

### My Powerful Knowledge:

I understand that different countries and locations have different human and physical geographical features. I understand that different locations have different cultures. I can use the language of comparison.

### Key Vocabulary

**Tier 1:** River, peak

**Tier 2:** Mountain ranges, mountains, capital city, regions, populations, landmark

**Tier 3:** Climate, continent, temperate, latitude

Where is Poland?

Where are the Tatra Mountains?

Where is Europe?

Mountains?

How are Poland and the UK different?
