

A note from the Head

Dear Parents and Carers

Another super week at Kings Nympton! We had Mr Chaplin our Education Consultant in school on Tuesday, he spent the morning in classrooms talking to the children about their learning and looking through their learning folders. We are very pleased to have all the hard work recognised. Here's a snippet of what he had to say:

Quality of Education

Leaders have sustained high expectations for the quality of the learning environment; these are consistent across the Federation. Systems are very clear and adhered to. The learning culture in classrooms is very positive. As a result, pupils focus very well on their learning and display attitudes that effectively support learning. In planning, teachers elicit pupils' prior knowledge and pupils then demonstrate progress in the curriculum with end of unit assessments. In science, for example, a pupil made progress in the knowledge of what plants need to survive by the end of a unit when understanding was not secure at the beginning.

It was fantastic to see so many people at the Friends of Kings Nympton AGM on Monday. Thank you to everyone who attended, there were some brilliant fundraising ideas being discussed. The position for secretary was also filled, thank you to Mrs French for stepping into the role. The next event is the Halloween Disco, which sounds very exciting. Don't forget to pre-book tickets on the Gateway.

Well done to our Year 5 and 6 children who took part in Bikeability this week, the instructor was very impressed with all the children who took part and their road sense. Well done.

It was so lovely to see the children playing at playtime this week, we have gone back to separate playgrounds for Reception, Year 1, 2 and 3. They rotate on a daily basis which means that our younger children have the opportunity to play on the big playground without footballs flying about. So far the feedback has been very positive.

Another great day for Forest School last week, the children certainly are having adventures each week! Last week they had another go with the strikers to light cotton pads before going on an adventure up to the top of the wood, they took the storm kettle and made hot chocolate. Then they did some activities based around our senses- finding things which were smooth, shiny etc. The children made potions for our sense of smell and all smelt each others to see if it was different. They sat quietly for 5 minutes to listen to forest noises- Year 2 found this quite tricky! They carried on their adventure and ended up back at the campfire circle for lunch followed by playing, weaving Gods eyes, cooking s'mores and playing in the river. What a busy day! I can't wait to hear about Year 3 and 4's adventures today.

It would be great to see some more scarecrow entries for our harvest competition on Thursday; I wonder what will turn up! We would be really grateful to receive donations of cakes etc for the cake sale at 3pm when the scarecrow results will be announced. Thank you in advance. Our bacon roll morning raised £60, this will be put together with the £210 raised at Winkleigh and will pay for the Christmas Elf visit. The commission on the Christmas Cards also raised £100 which is fantastic and will go in to the trips pot.

Class 2 are really looking forward to their Eden Project trip next week with the Year 4 class from Winkleigh, it will be a nice chance for them to meet up again, such a great experience for them, I can't wait to hear all about it. Have a lovely weekend.

Brenmore

DIARY DATES

W/C 3RD OCTOBER

| | |
|-----------------------|---|
| Daily | 8.00am deadline for booking school meals on the Gateway |
| Monday 3rd October | Class 2 wear PE kit |

BAG 2 SCHOOL

FREE FUNDRAISING FOR SCHOOLS

In partnership with your school or organisation

Kings Nympton Primary School

Bag 2 School is a company that specialises in the reuse and recycling of good quality second-hand clothing and we have arranged to make a collection from your school. All the bags will be weighed and you will be paid for the total weight collected. Remember, the more you collect the greater the benefit to your school.

PLEASE USE YOUR OWN BAGS (THERE IS NO LIMIT).

When the clothes have been removed from the bag the plastic will be packed and sent for recycling.

We are collecting good quality items for RE-USE:

Men's, ladies' & children's clothing, paired shoes, handbags, belts & accessories.

(No uniforms, workwear, pillows, duvets or pieces of fabric please)

The more we weigh the more we pay!

Extra bags are welcome - there's no limit

Please return your Bag2School on:

Monday 17th October by 9am from Orchard House, Steeple Medow

01609 780 222

www.bag2school.com

helpdesk@bag2school.com

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Class 1

We have had a great week in Class 1. The children have really settled back into school life and are working hard. It is a pleasure to see their enthusiasm for all the lessons and activities they undertake!

Reception have been learning to say, read and write the next few phonemes and have been using these to read their first books in class. They have been talking and thinking about their own families and comparing them to Spinderella's family in the book by Julia Donaldson. They have been finding ways to sort different objects by looking at their colour, shape and size.

In English, Year 1 and 2 have been writing their own versions of the story *Knock! Knock! Open the Door*. They have used their learning in this unit to improve their writing and have written some great stories.

In Maths, Year 1 have been ordering objects and numbers to 10, using ordinal numbers and learning how a number line can be used to help them solve problems. Year 2 have started a unit of work on Addition and Subtraction. They have been finding fact families, comparing number sentences and looking for related facts in these.

Other lessons have included finding out about Northern Ireland, thinking about the properties of materials, having a go at colour mixing with paints and writing their own prayers.

Well done Class 1, have a great weekend. *Mrs Godly*

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Class 2

Another week has flown by, and the children have been working hard.

In Science, Year 3 and 4 have continued their learning about fossils and rocks. The children have learned about Mary Anning and have created their own fact file about her. We have also learned about soil formations and the four complements that make up soil. In Maths, Year 3 and 4 have finished their

sequence on place value and have started their new sequence on addition and subtraction. We have been using concrete resources to support us in adding numbers together and have introduced column method for addition.

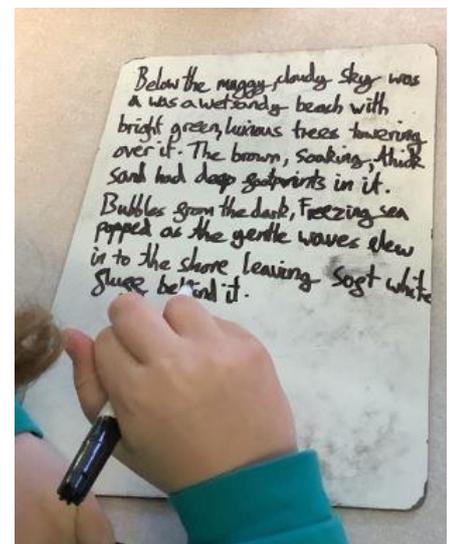

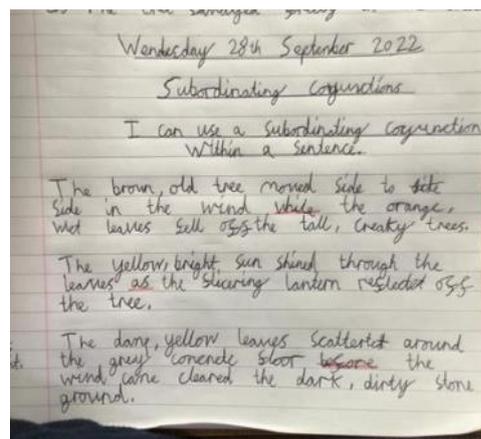

In English, Year 5 and 6 have been developing their setting descriptions and have been varying their sentence starters and using subordinating conjunctions to connect sentences. They have been using these skills to create a setting description and engage the reader in their text.

On Monday and Tuesday, Year 5 and 6 took part in Bikeability and enjoyed learning new skills that they put into practice on their ride around Kings Nympton. The children have also enjoyed their Times Table Rockstars tournament this week and have all relished challenging each other. Well done, keep it up!

The children have been enjoyed playing together this week and creating new games at break and lunchtimes. It has been great to see the children create new games. Year 3 and 4 have had their first Forest School today and have enjoyed the activities that Mrs Blacker has provided.

We are very much looking forward to next week and our Class trip to Eden. Please remember to wear school uniform; not PE hoodies. If you need a reminder of the trip details, [please click here](#). Don't forget we will be returning to the village hall for pick-up at 5pm.

Have a great weekend Class 2. *Mr Saltearn*

LITTLE WOODLANDS

NEWS FROM THE PRESCHOOL

We have had a Humpty Dumpty time this week!

The children have fully embraced the activities on offer, and this has included making marshmallow Humpty Dumpties, making a happy or sad Humpty in the craft area, building a secure wall for Humpty to sit on and lots of singing and making up our own ideas for a new Humpty Dumpty rhyme! We have also been busy counting and practising our cutting skills this week.

Mrs Stapley and the Preschool Team

FAMILY SUPPORT

Families Needed for Research Study on Healthy Lifestyle Choices

Are you a family with children under the age of 12 who would benefit from being happier and healthier?

- *Better sleep routines***
- *Healthier eating options***
- *Reduced screen time***
- *More activity***
- *Improved relationships***

Fliss Cornish and Arnie Bartlett are Family Practitioners working within Children's Services who will be running an 8 week course to help tackle the above daily struggles that many families face in today's modern world. It is part of a research study being undertaken by University College Dublin and the course (which is likely to be online) will be starting week commencing 9th January 2023. The 'research' part of the course is two 20 minute questionnaires to be completed prior to the course starting. They need some recruits 😊

[For more information, please click here.](#) You don't need to be referred. Alternatively, please contact Arnie and Fliss directly.

Arnie – angyalka.bartlett@devon.gov.uk / 07813 400942

Fliss – felicity.cornish@devon.gov.uk / 07816 124979

Families with children in Class 1 who are eligible are encouraged to apply as the funding is in addition to Universal Free School Meals!

If your circumstances have changed and you are now in receipt of one or more of the following:

- Universal credit (provided you have a net income of £7400 or less)
- Income support
- Income-based jobseekers' allowance
- Income-related employment and support allowance
- Support under Part IV of the Immigration and Asylum Act 1999
- The guaranteed element of state pension credit
- Child tax credit, provided that you are not also entitled to working tax credit and have an annual gross income of £16,190 or less

You may be eligible for pupil premium funding for Kings Nympton Primary School, which entitles your child/ren to receive Free School Meals.

It takes less than a minute to apply.

Visit the Citizen Portal Devon

https://oneonline.devon.gov.uk/CCsCitizenPortal_LIVE

or call the Education Helpline on 0345 155 1019.
