

A note from the Head

Dear Parents / Carers

I can't believe we have been back in school for two weeks, the children have been so settled and are back into their learning routines. It was lovely to see parents coming to our first Stay and Play session at Preschool. Our numbers in Preschool are increasing which is fantastic. If you know anyone who might want to join our wonderful setting, speak to Susie and we can arrange a visit.

What a beautiful day for our Forest School to start up again, the children were so excited and really enjoyed their day. Still not too chilly to go in the river! Thank you Mrs Blacker for all the wonderful experiences the children take part in at Forest School. We are so proud of the offer we provide regarding our outdoor learning

Thank you to those parents who have sent their Christmas card orders back, I know it seems a little early but with every purchase made by parents the school gets commission which all goes into our trips pot.

We can't wait to see families back in school next Thursday for our Family Breakfast (again, all money made will go into our trips pot!) and Open Morning. This Open Morning will be a chance to look through your child/ children's History, Geography and Science learning. We are looking forward to welcoming you all back into school. Preschool families are welcome to stay at school and join Stay and Play a little early.

Lastly, have a lovely weekend and as a community I'm sure we will come together to pay our respects to the Queen on Monday.

Best wishes

Benmore

THE FRIENDS GROUP

FUN AND FUND-RAISING

On the subject of fund-raising, I wanted to remind all families that Kings Nympton has a wonderful Friends of the School group who work very hard to raise money for events and they provide invaluable financial support for our trips and extra-curricular activities programme.

The Friends are always looking for new members to join the team and it's a great way to get to know other parents/carers. The Friends have just committed to organising a Halloween disco on 20th October (more details to follow) and I know that they'd be really grateful to hear from anyone else who might be keen to help out at this or any other event.

The Friends' AGM is due to take place soon and new members would be very welcome to join this meeting. We'll let you know the date and venue as soon as it's confirmed.

If you'd like more information about the Friends, please contact the office and Susie will put you in touch.

A huge thank you to all parents and carers who are part of this group—we really appreciate your support.

Mrs Fenemore

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Class 1

This week has been another fun and busy time. Reception have been learning to say, read and write some of the first phonemes they must learn and have enjoyed using sand and chalk to help them do this. They have been counting forwards and backwards, writing numbers and matching amounts to numbers.

Years 1 and 2 have started a unit of work on the book *Knock! Knock! Open the Door* by Michaela Morgan. They have been describing characters, telling jokes, predicting what would happen at the end of the story and thinking about what they like and dislike about the story. In Maths, Years 1 and 2 have continued with their work on place value and have enjoyed some practical activities to reinforce their learning.

We have also been learning the song *Hey You*, finding out about Wales and thinking about the simple properties of different materials. We had our first day at Forest School this week too, which everyone thoroughly enjoyed!

A great week Class 1 and see you on Tuesday!

Mrs Godly

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Class 2

A busy week as ever in Class 2! We have finished our literacy sequence about inspirational people. Year 3 and 4 have written their own biography about Ada Lovelace. The children researched facts about her life and her achievements. They created a biography about her life, trying to include the key features of a biography in their writing. Year 5 and 6 have researched an inspirational person from the civil rights movement and have used this information to create a biography. The children chose between Martin Luther King Jr, Rosa Parks and Harriet Tubman.

In Science, Year 5 and 6 designed and have performed an experiment to test if a material is magnetic. The children helped construct a pod and hung a magnet from it to test what materials were attracted to the magnet. In Year 3 and 4, the children have been learning about different rock types and have been writing their own definition for each type of rock.

This week, Class 2 have started their PE lessons with Mrs Miali, learning about different types of passes in netball. It has been fantastic to see the children continue to be excited about Times Tables Rockstars.

We are pleased to have been able to confirm our class trip to the Eden Project with our friends from Winkleigh on 5th October. Please see the email sent home earlier this week for details. I can also confirm that Bikeability will be going ahead for the 9 children in Years 5 and 6 who wanted to participate. A letter will be sent home with full details next week.

Finally, a polite reminder to please let a member of staff know if your child will be going home with someone else. We have to be aware of any changes to arrangements in line with our safeguarding processes. Thank you.

Well done Class 2, have a great weekend.

LITTLE WOODLANDS

NEWS FROM THE PRESCHOOL

Wow, this week has zoomed by! The children have continued to explore the different areas of learning and are following the Preschool routines beautifully. We particularly enjoy going into Class 1 for our morning snack and Mrs Godly has commented on how well the children have settled and their wonderful table manners.

We have had a fabulous time playing in the garden, sharing our favourite books with our friends and we were very excited about making people shaped biscuit. They were delicious!

It was lovely to resume Stay and Play on Thursday. We were also very pleased to welcome Josiah and his family in for a visit this week. Don't forget that Stay and Play will start a little early next week as we have our Family Breakfast planned and we hope to see as many of you as possible there. For anyone who missed it in the Welcome Letter last week, we have unfortunately had to implement a £1 charge per family for Stay and Play each week to cover the cost of refreshments. Thank you for your understanding.

Thank you for your continued support it really has been a joy to see the children so happy and settled each day.
