A note from the Head

Dear Parents and Carers

WOW! What wonderful scarecrows we had this week for our Harvest Competition. They were amazing, so much effort had gone into all of them. You can have a look at them all on the website—[please click here](#). I think as a staff we had our personal favourites but we all voted and the winner came out as 'Phantom of the Opera', made by Penny and Albie Cook, congratulations!

£73 was raised from the scarecrow competition and the cake stall, again, what a fantastic effort. Thank you to everyone who baked cakes and supported this event. The money will go into the trips pot to subsidise trips this year. A big well done to our Year 6s for running the stall, you did a great job.

Well done also to Class 2 who enjoyed their day at the Eden Project on Wednesday. The leader of the workshop said that he was in awe of their impeccable behaviour and their ability to work together and share ideas. Well done Class 2, as always you have really stepped up and made us very proud. See the next page for some of their thoughts on the day. There is also a gallery of photos from the trip on our website, [please click here](#).

Last week Year 3 and 4 enjoyed another fun-packed session at Forest School; they collected wood, used strikers to try and make their own fires, played on all the usual equipment and made dens - Year 3 are particularly good at that! They looked at different woodpecker noises, used sticks to recreate them, then in pairs, one hid in the woods and used the sticks to make their woodpecker sound and the other had to find them. They also cooked Martians in Spaceships, which sounded delicious! I am always amazed at how much Mrs Blacker packs into the day.

Class 1 are looking forward to joining Winkleigh Year 2s for their trip to Northam Burrows next week, I am sure they will have a lovely day.

Lastly, welcome to Josiah who has joined Preschool this week. We are sure you will be very happy in our wonderful setting.

Have a great weekend.

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Class 1

What a great week we have had! The children have enjoyed a PE lesson with our coach from Saints Southwest, had scarecrows joining them in the playground and eating the cakes sold at the cake sale.

Reception have been trying to fill other people's buckets (a task taken from the book *Have You Filled a Bucket Today?* by Mary Reckmeyer and Tim Roth). They have also been comparing amounts of things using mathematical vocabulary, counting and estimating.

In English, Year 1 and 2 have started a unit of work using the book *Funnybones* by Allan Ahlberg. They have been learning about verbs, described a picture from the book and started to find out some facts about the human skeleton. In Maths, Year 1 have been writing and using part-whole models to create fact families and using the addition symbol to record number bonds to ten. Year 2 have been investigating number bonds to one hundred and adding and subtracting ones and tens.

The children have also been building houses for the three little pigs in order to test what materials would be the strongest and weakest as well as thinking about what a village is and what they might find in a village. They have practised drawing a portrait and painting it using skin colours and thought about what it means to forgive someone and how Christians can show they love God.

We are all looking forward to our trip to Northam Burrows next week! Thank you to parents and carers for taking your children to the Portsmouth Arms car park for drop-off and collection. We will meet you there.

A great week Class 1, keep up the hard work!

Mrs Godly

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Class 2

Another week has flown by in Class 2!

Year 3 and 4 enjoyed their first Forest School day last week and enjoyed being back in the woods with Mrs Blacker and are very much looking forward to their second session today. Hopefully it is slightly drier for them this week.

On Wednesday, Class 2 went on their trip to the Eden project to support their learning in Science next half term, thank you to Mrs Miali, Mrs Slade and Miss Parsons from Winkleigh who took the children in my absence. The children had a fantastic time exploring Eden and the Biomes. We are looking forward to using what we learnt in our Science sequence next half term. The children became Rainforest Rangers, learning how to live and survive in the rainforest habitat. They had the opportunity to explore the Mediterranean and Rainforest Biomes, discovering the different plants that grow there and how they aid survival in the habitat. They learned how plants can provide us with food, water and shelter. They also experienced the humidity of the rainforest and some of the animals and creatures that survive there. The leader of the workshop was in awe of how well-behaved Class 2 were and their fantastic ability to work together and discuss and share ideas. Well done everyone!

[Click here to see the full photo gallery of our Eden Project trip.](#)

The children have continued their English sequence on *Straw to Gold* and have completed their end of unit write, re-writing the nursery rhyme *Jack and the Beanstalk* but from the perspective of the Giant and added their own twist on the tale. In Maths, Year 3 and 4 have been learning about column addition and have been adding two 3 digit numbers together using concrete resources to help them.

Thank you to everyone that made a scarecrow for our Harvest Competition, they were all amazing and seeing how creative the children were was fantastic. Congratulations to Penny and Albie for winning the competition. It was a very close call to decide a winner! Thank you also to our Year 6s who managed the cake sale yesterday, they did a great job. Thanks to the parents and carers who so kindly donated cakes etc for us to sell.

Enjoy the weekend, Class 2 and see you all on Monday.

Mr Saltearn

LITTLE WOODLANDS

NEWS FROM THE PRESCHOOL

This week we have been singing all our favourite nursery rhymes and some less familiar songs. We have especially enjoyed *Hickory Dickory Dock!* Ask your children if they can sing the whole rhyme at home.

Other activities this week have included making mice using craft resources, rolling out play dough mice, printing sheep for *Little Bo Peep* and using our counting skills and key vocabulary- 'more' 'less' 'fewer' 'greater' linked to the *Wheels on the Bus* rhyme.

We have had a brilliant time outside using the wheeled toys, digging and finding treasure in the sand and playing with the water toys. If your child has a favourite book, they would like to bring in next week we would love them to share this with the class. Thank you for your continued support.

We were delighted to welcome Josiah to our Preschool family this week. He had great fun making the playdough mice with his new friends. We are all looking forward to seeing Josiah again next week.

Mrs Stapley and the Preschool Team

We always enjoy our continuous provision time with our friends in Reception

TRANSITION

Year 6 Parents/Carers

Have you applied for your child's school place yet? The deadline to make your application to the Local Authority is 31st October 2022. You can apply online by visiting www.devon.gov.uk/admissionsonline or you can collect a hard copy of the application form from the school office.

Please be advised that if you don't apply or apply after the closing date of the 31st October 2022, your application will be considered after all timely applications, and this may mean that you miss out on a place at your preferred or local school. Places are not held in reserve for people that apply late. It is important that you make your application before the closing date to give your child the best chance of getting a place at one of your preferred schools. Please don't assume you don't need to apply and that you will be allocated a place at the local secondary school if you don't. You must make an application and give the Local Authority your preferences. If you don't tell the admissions team where you want your child to go to school, you will run the risk of being allocated a place at a school that isn't the nearest school, or a preferred school, and it may also be a school to which you are unable to transport your child.

If you need help or assistance with the application process, please speak to the school office or contact Devon admissions team on 0345 155 1019 or email admissions@devon.gov.uk.

FAMILY SUPPORT

Families Needed for Research Study on Healthy Lifestyle Choices

Are you a family with children under the age of 12 who would benefit from being happier and healthier?

- *Better sleep routines***
- *Healthier eating options***
- *Reduced screen time***
- *More activity***
- *Improved relationships***

Fliss Cornish and Arnie Bartlett are Family Practitioners working within Children's Services who will be running an 8 week course to help tackle the above daily struggles that many families face in today's modern world. It is part of a research study being undertaken by University College Dublin and the course (which is likely to be online) will be starting week commencing 9th January 2023. The 'research' part of the course is two 20 minute questionnaires to be completed prior to the course starting. They need some recruits 😊

For more information, please click here. You don't need to be referred. Alternatively, please contact Arnie and Fliss directly.

Are you entitled?

Families with children in Class 1 who are eligible are encouraged to apply as the funding is in addition to Universal Free School Meals!

If your circumstances have changed and you are now in receipt of one or more of the following:

- Universal credit (provided you have a net income of £7400 or less)
- Income support
- Income-based jobseekers' allowance
- Income-related employment and support allowance
- Support under Part IV of the Immigration and Asylum Act 1999
- The guaranteed element of state pension credit
- Child tax credit, provided that you are not also entitled to working tax credit and have an annual gross income of £16,190 or less

You may be eligible for pupil premium funding for Kings Nympton Primary School, which entitles your child/ren to receive Free School Meals.

It takes less than a minute to apply.
