

A note from the Head

Dear Parents and Carers,

We hope you all had a lovely Christmas break, we would like to wish all our families a very Happy New Year.

It has been lovely to welcome the children back this week, as always they have come back eager and ready to learn. I can't believe it is Friday already! We have lots of exciting trips and experiences planned for this term and are really excited to be starting the new term.

There seems to be some conflicting advice currently regarding attendance and keeping children off school if they are unwell. We are at that time of year when coughs and colds are prevalent and we know that parents make sensible decisions about when to send their child / children to school. As a school we continue to have stringent hygiene procedures in place as we have since COVID.

Attendance remains a national priority for all children, as we know this has a direct impact on their attainment.

The current advice is:

Coughs and colds

It's fine to send your child to school with a minor cough or common cold. But if they have a fever, keep them off school until the fever goes.

Encourage your child to throw away any used tissues and to wash their hands regularly.

High temperature

If your child has a high temperature, keep them off school until it goes away.

Have a lovely weekend,
