

WB 2nd May 2022

This week, as part of our phonics sessions we will be focusing on CVCC (consonant, vowel, consonant, consonant) words with short vowels such as:

**went, help, tent, wind, hand,
hump, best, gift, fact**

We will also be practising the tricky words:

the, I, go, no, of, you

and will be learning the new tricky words:

said, so, have, like

We hope you have all managed to navigate our new e-books online. These books are uploaded at the end of each week after your child has read the book with us three times in school.

We will continue to send home physical books which are of a similar level along with a book from our class library chosen by your child. We encourage you to share these books with your children at home looking for tricky words, talking about the stories, practising segmenting and blending and looking out for our focus words too.

Thank you for your continued support in hearing your child read at home.
