Dear Parents and Carers,

Year 5 Educational Visit to Coldharbour Mill – Tuesday 22nd November 2022

We are visiting Coldharbour Mill to link to our current learning in History. The children are currently learning about the differing experiences and work habits of children in the Victorian era. We are building our understanding of how these children lived and comparing their experience to our own. The children will focus on seeing first-hand the machines inside of a factory that were worked by children.

All children will need to wear school uniform, sensible shoes and have a waterproof coat. They will need a packed lunch and a drink (no glass bottles, fizzy drinks or sweets please). A school packed lunch can be requested, please indicate this in the comments box on Gateway and, where applicable, a charge of £2.40 will be added.

The cost of this trip is £14.50 per child. Unfortunately, there aren't funds currently available to subsidise this visit. All our trips are carefully costed to ensure good value and the best possible price. We carefully cost every trip as parents cannot be asked to subsidise others. This does mean that our costings rely on every child participating and if we do not receive full contributions the trip may be unable to take place. Please get in touch via admin if your circumstances are such that you are unable to pay this contribution.

A payment request has been set up on the Gateway for you to give permission and payment contribution for this trip by Tuesday 15th November 2022. After this date the visit will no longer be visible on the Gateway.

Regards,

Mr Walter
