 EMAIL

Dear Parents and Carers,

### **Plymouth Energy from Waste Facility Educational Visit – Thursday 26<sup>th</sup> January 2023**

We have arranged for Year 4 to visit Plymouth Energy from Waste facility to help bring our geography topic 'Natural Resources' to life. We will be looking around the site and learning about how energy can be created in different ways.

The children will travel to Plymouth EfW by coach. They will need arrive at school as normal in the morning on Thursday 26<sup>th</sup> January. The bus will pick up the children from school shortly after 9.00am so a prompt arrival at school will be greatly appreciated in order for us to leave on time and make the most of our day. The children will arrive back at school at 3.10pm meaning that all children who travel home from school on the bus can do so as normal.

All children will need to wear school uniform, sensible enclosed shoes and have a waterproof coat. This includes their school jumper or cardigan and trousers as long sleeves and covered legs are essential for our entrance to site. They will need a packed lunch, a healthy snack and a drink. (No glass bottles, fizzy drinks, chocolate bars or sweets please.) A school packed lunch can be requested, and, where applicable, a £2.40 charge will be added to the Gateway.

Our visit to the Plymouth EfW site is free meaning that all contributions asked for are to go towards our travel there and back. We have kindly been given a grant towards some of the travel costs, therefore the cost of this trip is £3.00 per child.

**A payment request has been set up on the School Gateway, please log on and reply by Thursday 19th January, after this date the visit will no longer be visible on the School Gateway. Please state on the Gateway if your child will be bringing a packed lunch from home or if they require a school packed lunch.**

Kind regards,

Miss McLean
